

Edward & Sons Trading Company was founded in 1978 with the introduction of Miso-Cup®, America's first natural instant soup mix. We are an independent, family owned business whose mission has remained steadfast - to create innovative, vegetarian food options with minimal ingredients that offer consumers **Convenience Without Compromise®**.

As a vegetarian company, we offer a wide range of delicious products, most of which are also vegan. To support our customers' broad dietary needs, most of our products are gluten free, soy free, dairy free and kosher.

We offer an extensive selection of organic foods that can be found in natural food stores, supermarkets and online throughout the U.S. and Canada. Our family of brands include Edward & Sons™, Native Forest®, Let's Do...Organic®, Premier Japan®, Road's End Organics® and Nature Factor®.

We believe that organic foods enhance the lives of farmers and consumers. We support sustainable agricultural projects that nurture the land for future generations. Our sustainability initiatives include our partnerships with ethical suppliers who promote environmental stewardship and worker welfare. Organic certification assures you of sustainable farming practices, which nourish soil, protect biodiversity and provide a premium to farmers. Consistent with our company policy, organic certification also prohibits the use of GMOs and other unwelcome ingredients.

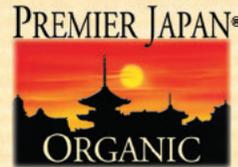

Most importantly, we believe food should be delicious and good for you! Great tasting and satisfying food is our specialty. From sipping a steaming mug of Miso-Cup® Instant Soup, to cooking up a quick batch of Road's End Organics® Mac & Chreese® for the family, you'll discover the joy of authentic taste with satisfyingly simple and wholesome ingredients, without any artificial ingredients.

Enjoy garnishing a fresh garden salad with crisp slices of Native Forest® Organic Hearts of Palm and toss in some crunchy Edward & Sons™ Organic Croutons - delicious!

Edward & Sons™ Organic Panko is perfect for that golden brown topping on your favorite casserole. Delight your kids with a scoop (or two!) of ice cream or gelato into Let's Do...Organic® Ice Cream Cones, and top it off with colorful Let's Do...Organic® Sprinkelz™.

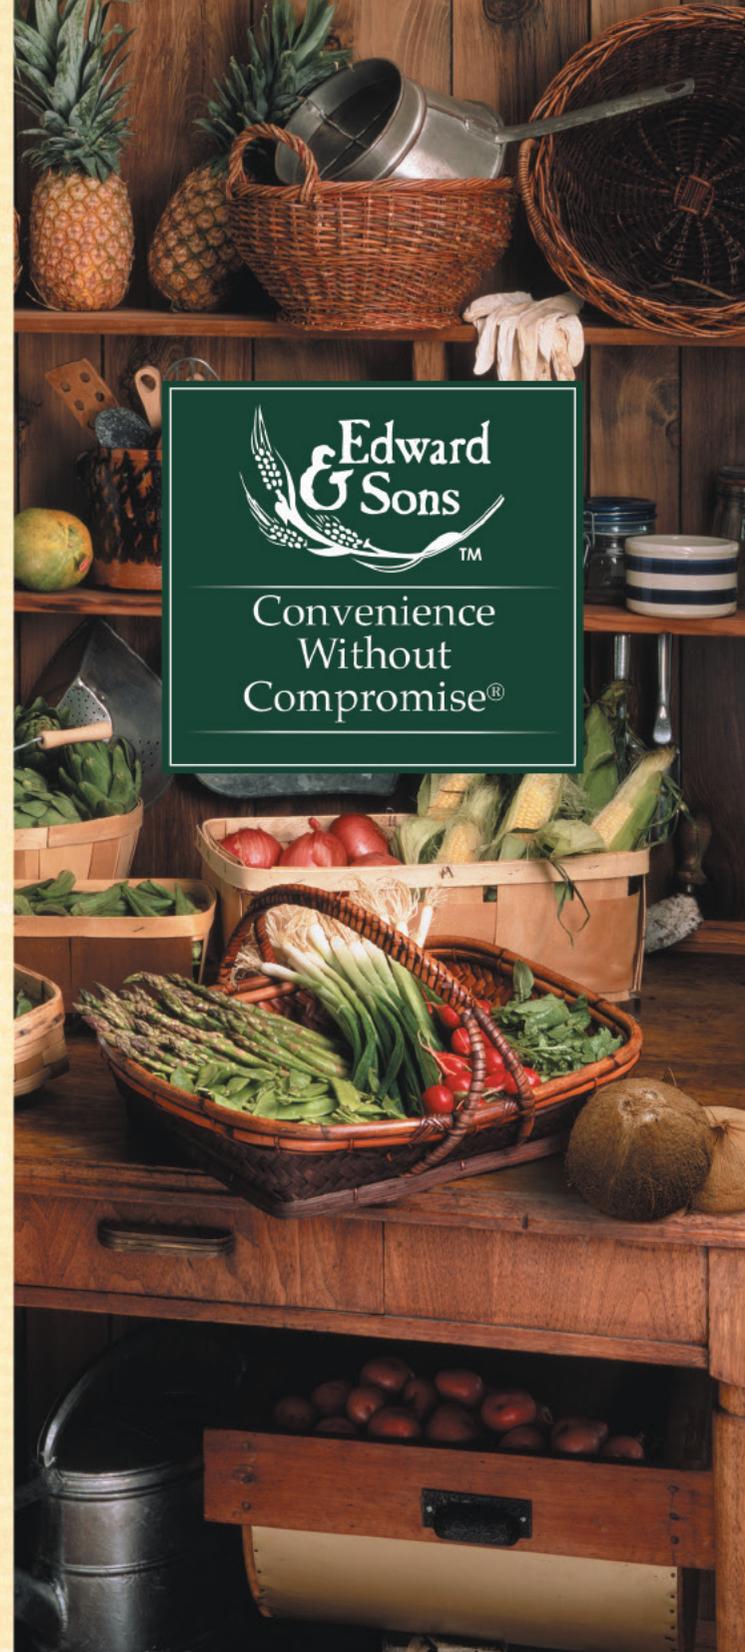

Our entire family of tasty goodness provides boundless opportunities for serving up delicious and nutritious foods for you and your family.
